

BULLYING POLICY ADOPTION & DISSEMINATION CHECKLIST

Adoption Procedure

“ Identify parents, school district employees, volunteers, students, school district administrators, law enforcement personnel, domestic violence sexual assault organizations as defined by subsection 3 of section 14-07.1-01, and community representatives to be involved in policy development. **NOTE: Law requires that each of the parties be involved in policy development.**

“ Identify method to involve the above groups in the bullying policy development. One suggested method would be to send the proposed bullying policy to these groups and ask for their written input by a specific deadline. Document the date that each group was contacted to participation in the bullying policy development and document any group that could not or did not participate.
