Rationale for Regulating Possession & Use

The health hazards of tobacco use have been well established. This policy is established to:

1. Reduce the high incidence of tobacco use in North Dakota.
2. Protect the health and safety of all students, employees, and the general public.

3. Set a non-tobacco-use example by adults.
4. Assist in complying with smoking restrictions in state and federal law (NDCC 23-12-10 and 20 U.S.C. 7973).

Tobacco use is the leading cause of preventable death and disability in North Dakota. To support and model a healthy lifestyle for our students, the **Apple Creek** School Board establishes the following tobacco-free policy.

Use & Possession Prohibitions

1. **Students:** Possession and/or use of tobacco products by students on school property is prohibited at all times.
2. **Staff/Visitors:** The use of tobacco products by all school employees and visitors on school property is prohibited.

This policy includes all events on school property that are not sponsored by, or associated with, the school at all times.
3. **Additional:** The District will not allow advertising of tobacco products on school property or in any school publications. This includes clothing that advertises tobacco products.

The District will not accept any gifts (such as curriculum, book covers, speakers, etc.) or funds from the tobacco industry.

Communicating to Students, Staff, & Public

This policy will be printed in employee and student handbooks. The District shall comply with all smoking prohibition posting requirements in NDCC 23-12-10.4 and post such notices in other highly visible places in all district schools and property, such as, but not limited to: school playgrounds, athletic fields and school-sponsored events (on district property). Parents will be sent notification in writing, and the local media will be asked to communicate this tobacco-free policy communitywide.

Responsibility for Violations

All individuals on the district's premises share in the responsibility for adhering to and enforcing this policy. The Principal shall develop regulations for the enforcement and implementation of this policy.

Tobacco Cessation Services

Individuals requesting assistance with tobacco cessation services will be referred to NDQuits, the North Dakota Department of Health multi-media tobacco cessation program. This is a free cessation service provided to citizens of North Dakota.
