

VIOLENT & THREATENING BEHAVIOR

Threatening Behavior

A true threat is a statement made orally, in writing, or using another medium that would be perceived by a reasonable person to be a serious expression of intent to harm, commit assault, or damage school property.

Reporting

Any student or employee who has knowledge of a threat shall properly report it to the building principal or Superintendent. Failure to report a known threat may result in disciplinary consequences up to and including suspension for students and termination of employment for staff in accordance with policy, law, and, when applicable, the negotiated agreement.

Threat Assessment

Upon receipt of a threat report, the building principal shall contact the Superintendent. The Superintendent shall contact the threat assessment team. The team shall determine if the report constitutes a true threat as defined above and if, given the nature of the threat, it should be handled internally or turned over to law enforcement. The team shall make these determinations based on, but not limited to, the following criteria:

1. The detail, specificity, context, and content of the threat;
2. The amount of disruption the threat has caused or may cause to the educational environment;
3. Whether or not the team can identify the source of the threat; anonymous threats may be turned over to law enforcement;
4. When the source of the threat can be identified, the team shall consider, to the extent possible, the individual's:
 - a. State of mind;
 - b. Relationship with peers;
 - c. Age;
 - d. Domestic life;
 - e. Ability to carry out the threat (e.g., access to weapons);
 - f. Past behavior.
5. If any laws have been violated;
6. The identity and potential motives of the individual reporting the threat.

The threat assessment may involve interviews with district staff, students, and parents. The team may, in accordance with the Family Educational Rights and Privacy Act and other applicable records laws, release threat assessment findings to law enforcement when deemed necessary.

When law enforcement and/or the threat assessment team, having considered the totality of the facts obtained through the threat assessment,

verifies that a threat is true, the District shall take necessary and timely measures to safeguard students, staff, and district property.
