

POLICY FOR INCLEMENT WEATHER

In the event of inclement weather or bad weather approaching; the decision will be made between the Principal of Apple Creek School District and the Apple Creek School Board President, or another school board member if the School Board President cannot be reached. If the bad weather approaches the school and school is not going to be held an announcement will be broadcast on radio station KFYZ by 7:30 a.m. the day of school.

If the school day has already commenced, the parents will be contacted by telephone by the teachers. Instructions will be given during that phone conversation as to what time the school will be dismissed and the latest time the children must be picked up.
