

REPORTING TO PARENTS

Report cards will be issued at the close of each nine (9) week period, in all grades K-6. Cards shall be issued following the close of the grading period except when distributed to parents at parent/teacher conferences.

Conferences with parents are to be encouraged in order to bring about a better understanding between parents and teachers. Parents of children in grades K-6 may initiate conferences.

Parent/teacher conferences are two-way exchanges of information about a child. It is a supplement to our report card. The Apple Creek School District has established two (2) parent/teacher conferences per school year held at the end of the first and third nine (9) week reporting periods. The elementary principal is responsible for setting up the conference schedules along with student listings for teachers in grades K-6.

If a child has a failing grade(s) and/or the failing grade(s) persist, the parent(s)/guardian(s) will be notified by the student's teacher.

Midterm grades will be given to parent(s)/guardian(s) each quarter. We encourage parent(s)/guardian(s) to check periodically with the school regarding student performance.
